

Turpin Orchestra Boosters

Association

We are proud to introduce the Turpin Orchestra Boosters Association (**T.O.B.A.**). Our purpose is **to support the Turpin High School Orchestra students in their music education and to promote participation, enjoyment and education in all orchestra activities.** Your booster membership helps offset the cost of sheet music, clinicians, technology, field trips and the annual performance trip. Your contribution goes directly to support the Turpin Orchestra and your musicians.

Please consider joining **T.O.B.A.** with a “family” membership contribution of \$25. Membership is made up of parents, friends, and community members interested in supporting the activities of the Turpin High School Orchestra. Additional giving level opportunities are available and are listed below. All contributions will be recognized in the Orchestra concert programs. Orchestra yard signs are available this year, free, to each family who joins **T.O.B.A.** for the first time. Displaying these signs is a great way for your student to show pride in his/her orchestra. You will have an opportunity to join **T.O.B.A.** on Aug. 20 after the Summer Camp Concert. We will collect membership applications at the Ice Cream Social.

Thank you in advance for your support of the Orchestra at Turpin. We are looking forward to a great year of music making in 2010-2011.

2010-2011 TOBA Membership Form

Family Level - \$25

Maroon Level - \$50 - \$99

Gold Level - \$100 +
